Eriez® Promotes Darrell Milton to Director of Heavy Industry

Erie, PA—Senior Sales Director of Eriez-USA Dave Heubel announces the promotion of Darrell Milton to Director of Heavy Industry. Milton has been an [Eriez®](#) employee for nearly three decades, serving most recently as Metalworking Filtration Systems Manager.

In his role as Director of Heavy Industry, Milton's responsibilities will include developing key sales strategies, tactics and action plans to expand Eriez' [metalworking](#), heavy industry and [recycling](#) market sales. He will also oversee the performance of Eriez-USA's metalworking representative network in the United States and Canada. Heubel says, "With his unwavering dedication and demonstrated ability to lead teams to success, Darrell is well-prepared to take on the challenges of his new position."

Milton, a native Canadian, joined Eriez in 1991 as part of the company's Canadian sales staff, rising to the position of Canadian National Sales Manager in 1995. Milton relocated with his family in 2006 to Erie, Pennsylvania, to serve from the company's corporate headquarters. He was promoted to Recycling Market Manager in 2011 before his promotion to Metalworking Filtration Systems Manager in 2013.

Eriez is recognized as world authority in separation technologies. The company's magnetic lift and separation, metal detection, fluid recycling, flotation, materials feeding, screening, conveying and controlling equipment have application in the process, metalworking, packaging, plastics, rubber, recycling, food, mining, aggregate and textile industries. Eriez manufactures and markets these products through 12 international subsidiaries located on six continents. For more information, call (814) 835-6000.
